

Sparkler Piece

You will need:

- one striped straw
- package of colorful tinsel
- scissors
- glue

1. Print out this page.
2. Cut out both animals.
3. Glue template pieces to both sides of straw back to back (also place pieces of tinsel, leaving part of each piece hanging out, as shown in example).
4. Let dry for about 2 minutes.
5. Use animals as sparkler for July fourth celebration or as holiday decorations for your family pick-nick!
